### Port-city University League 3rd Meeting at Lisbon, Portugal

---

When: 27TH of October 2008 to 30TH of October 2008

Where: Universidade de Lisboa

After the Meeting of Yokohma, Japan (2006), and after the meeting of Chennai, India (2007)  
The University of Lisbon will host the 3rd Meeting of the Port-city University League on 27-30  
October 2008.

This meeting aims at providing up-to-date information and further discussions on the complex integration of ports on a city context, focusing on a range of topics related to legal, urban and environmental issues. The meeting will include both lectures and port visits and is aimed not only at research scientists, but also for those involved in the assessment of environmental quality, management systems, insurances, trades, etc.

Some of the topics to be discussed:

- Legal issues : maritime law, commercial and touristic conflicts, international trade, marine insurances, environmental policies.
- Planning issues : planning strategies and conflicts, port and city planning strategies, terminal management systems.
- Environmental issues : environmental monitoring, environmental risk assessment, environmental policies.
