# GTN MOBILE Product Sales Promotion

2025.10

外国人が日本に来てよかったをカタチに®  
Making Your Stay in Japan Great

# Life in Japan and Mobile Communication

◆Public Wi-Fi is not widely available in Japan.

You need to sign up for a mobile service by yourself.

◆You need a mobile number to call emergency services.

Calling emergency services like the police (110) or fire/ambulance (119) can be difficult without an active phone number.

◆Other issues you may face without a mobile phone number

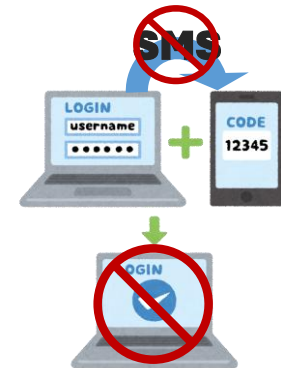

You can't register for many online services.

You may not be able to receive important calls from your school, bank, or immigration office.

Some job applications require a phone number.

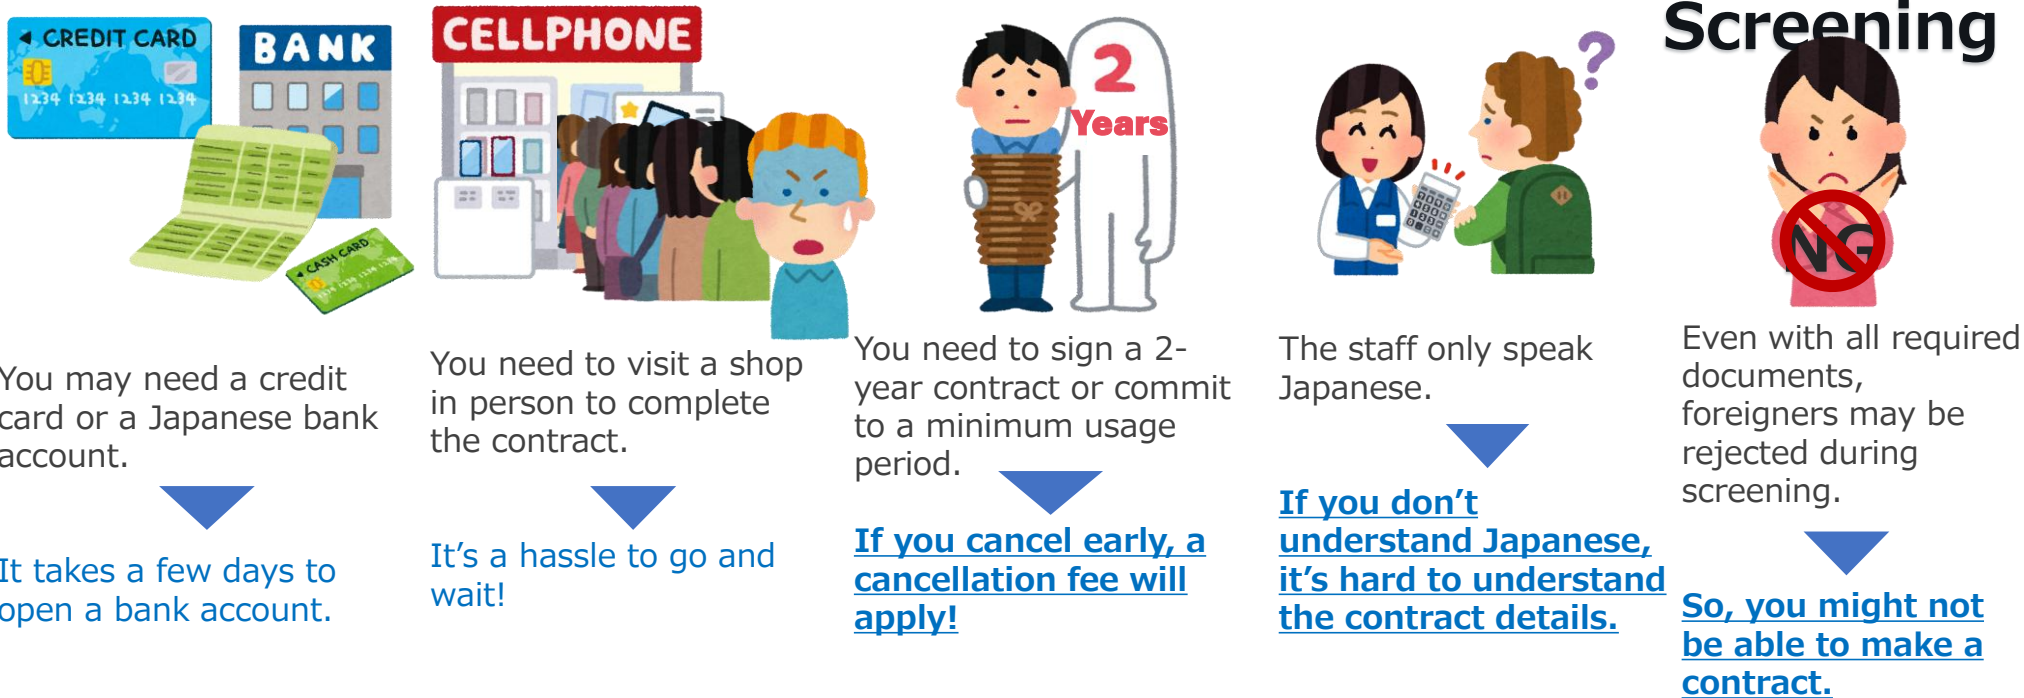

You can't verify your identity for many online accounts.

# Overview of Mobile Phone Contracts in Japan

## ■ Overview of Mobile Carriers in Japan

Major mobile phone companies in Japan mainly serve Japanese customers.  
So, it can be difficult for foreigners to get a SIM card due to various rules and requirements.

**For these reasons, it's difficult for foreigners to get a phone number contract in Japan!**
